

JYSK is looking for a SAP Logistic Consultant

ProSapia: <http://www.prosapia.net/da/job.php?id=91>

You are a highly skilled SAP Application Consultant with a big drive and experience as internal or external SAP consultant. If you have SAP eWM and WM experience and you want to be part of the journey implementing eWM in JYSK, then you might be the one we are looking for.

JYSK continues to expand our activities with both new Distribution Centers, physical stores and an ever-growing presence on digital platforms. The IT department is a cornerstone in supporting the growth of the JYSK business through continuous development of new and existing IT solutions, where SAP eWM play a key role in our warehouses. We want you to be part of this journey! You will be part of the SAP Department with +30 colleagues. We emphasize a good and positive working environment, and we try hard to keep a good work-life-balance.

You will primarily be working in the JYSK Nordic head office in Brabrand (Århus), only a 5 minute drive from E45 and the Herning Motorway.

You Bring dedication and you...

- you have SAP eWM, WM, LES experience as internal or external consultant
- you have the necessary drive and experience to support the business within logistic processes, eWM and WM
- a good business process understanding
- documented experience developing SAP solutions
- you are well articulated in Danish and English

You Meet possibilities and...

- You will be working together with competent team colleagues, where some of the keywords are; team spirit, knowledge sharing, and positivity.
- you will be part of our eWM implementation in Bulgaria
- you will be managing and participating in end-to-end implementations - from analysis and design through configuration to test of solutions
- you will be working in an international environment together with colleagues from different functional areas
- you get opportunity to learn about and work on some of the latest SAP technologies

JYSK have grown from one physical store in Denmark in 1979 to more than 2.600 stores internationally, and more than 20 online stores. We have 4 Distributions centers placed in Denmark, Sweden, Poland and Bulgaria with a total capacity of +600.000 euro pallets. To ensure our future growth, we need the best employees. Seek the opportunity to become a part of JYSK and our success. If you bring dedication, you will meet possibilities.

ProSapia is handling the recruitment process. We will conclude the recruitment process when we have found the right candidates. If you have any questions, please feel free to call Senior Consultant Jesper Olsen at PROSAPIA on +45 53 87 16 17.
